IT'S SUMMER!

Dr. Rosenberg and staff would like to wish everyone a happy, healthy summer!

Please remember to use sunscreen when enjoying the outdoors.

SURVIVE & THRIVE 2009

Come celebrate with us!!! Survive & Thrive is an annual event hosted by Dr. Rosenberg. This complimentary party provides our patients and their guests the opportunity to enjoy the company of other breast cancer survivors and our staff in a less formal atmosphere than the office. We recognize that our patients have reason to celebrate having survived difficult life obstacles and thrive in knowing that they can get back to leading a full happy lifestyle after cancer treatment.
